

The Voice Sounds

(Sing to the tune of 'This Old Man'.)

Boing, boing, boing, up and down,
Jumping everywhere around.
With an oh-oh, ooh-oo-hoo,
Whizzing down the slide.
Singing songs fills us with pride.

Choo, choo, choo, round and round,
We are making a train sound.
With an oh-oh, ooh-oo-hoo,
Whizzing down the slide.
Singing songs fills us with pride.

Tick, tick, tock, it's a clock,
With a hickory dickory dock.
With an oh-oh, ooh-oo-hoo,
Whizzing down the slide.
Singing songs fills us with pride.

Moo, moo, moo, it's a cow,
Standing in a big field now.
With an oh-oh, ooh-oo-hoo,
Whizzing down the slide.
Singing songs fills us with pride.

Buzz, buzz, buzz it's a bee,
Black and yellow I can see.
With an oh-oh, ooh-oo-hoo,
Whizzing down the slide.
Singing songs fills us with pride.
