

Tick-Tock Sounds the Clock

(Sing to the tune of 'I'm a Little Teapot'.)

Tick-tock, tick-tock, tick-tock, sounds the clock,
All the day long and it never stops.

Tick-tock, tick-tock, tick-tock, all night too,
Keeping the time for me and you.

Tick-tock, tick-tock, tick-tock, sounds the watch,
Tapping a rhythm like in hopscotch.

Tick-tock, tick-tock, tick-tock, keeping time,
Never late 'cause this watch is mine.

Tick-tock, tick-tock, tick-tock, sounds Big Ben,
Chiming the hour again and again.

Tick-tock, tick-tock, tick-tock in London,
Never ever is its job done.
